Local Jaycees Hold Special Session To Elect Ken Roberts President; Charter Night Set For June 20

Twenty-three charter members of the Campbell Junior Chamber of Commerce met in special session Tuesday to elect Kenneth Roberts president of the organization for a one-year term. Board of Directors called the meeting at Roberts' home. The new president had been acting as temporary chairman of the Jaycees up until the official elections could be held.

Other officers of the Jaycees, elected Tuesday evening, were Milton (Bud) Bachman, vice-president; Monte Koch, secretary; Bill Hall, treasurer; Charles Livingston, keeper of the Chamber; Don Gracier; Dick Lazzarini, Ray Harris, Johnny Harris, Board of Directors.

At the special meeting Roberts announced that the plans for Charter Night were completed. The festive occasion, scheduled for June 20 at Hawaiian Gardens, will highlight the season when Roberts receives the charter for his organization from national jaycee officers. In addition state and local jaycee officers will attend the affair as special guests.

Other guests from Campbell will be Mr. and Mrs. Eugene Barnes, Mr. and Mrs. Laurence J. Hill, and Dr. and Mrs. Earl C. Campbell.

Bids to the private affair will be distributed to the charter members and their guests. All men interested in jaycee activities, between the ages of 21-35 are especially invited to attend, said Roberts. Only 200 couples will be present at the affair.

On Wednesday, June 1, Campbell Junior Chamber of Commerce members will be guests of the Los Gatos Jaycees in a weiner roast at Roberts' home at 7:30 p.m. The affair has been dubbed "Bring-your-wife" night.

Charter members of the Junior Chamber who will be listed on the official charter are: Joe Anello, William Ash, Milton (Bud) Bachman, Joe Bloom, Bob Brydon, Don Gracier, W. J. Hall, Ray Harris, Thurmon Harris, Monty Koch, Ed Lazzarini, Richard Lazzarini, Chas. Livingston, Frank Pierson, Ken Roberts, S. A. (Junior) Wirth, James Allen, G. R. Gray, Richard Metz, Richard Barham, Jack Chappell, John Riedel, Marvin Draper and Albert Briddon.

Voters Turn Out To Elect Trustees

Residents in the Campbell, Cambrian and Union school areas turned out in rather steady flows to vote in new school trustees for this area May 20. Only in the Campbell Elementary school district last Friday was there a contest.

Incumbent E. L. Farnham, Campbell Elementary school district, overwhelmingly defeated the challenger Robert W. McAdell by a vote of 36 to 49. At Campbell Union High trustees John D. Blaine and William N. Lloyd were elected unopposed.

Excitement stirred in the voting booths at Cambrian for a short time. Incumbent Earl F. Gripenstraw was, up to election day, running unopposed. However, nine Cambrian voters chose to write in the name of Comdr. R. S. Kaiser. However, Gripenstraw won the election by 124 votes.

At the Union district incumbent trustee R. A. Mirassou was returned to office with 74 votes, while Virginia Frew Emery received 65.

American Legion to Honor All Soldiers At Symbolic Grave In Stadium Monday

"Memorial Day was set apart so that this nation might not fail in its expression of gratitude towards those who made possible what we have and enjoy today," said Legion officials here today. "We love our American freedom—but it was won for us by soldiers not one of whom we can name—with one exception—George Washington. We love our California and probably not one of us can name a single soldier that helped take this land for us."

But whether we can name any of these heroic dead or not, Campbell, led by its American Legion Post number 596 on Memorial Day, May 30, at 11 a.m. in the Campbell Union High school stadium, will remember that America had such soldiers and will do honor to their memory by the side of a symbolic grave.

Placing the wreaths upon the grave will be little ones such as Marilyn Fitzpatrick, Sandy McNair, Linda Mable, Kate Kirk, Diane Dutton, Karen Gamble, and others with them. The words of commemoration will be spoken by Virginia Cross, Con-

CWC To Install New Officers

New officers of the Campbell Country Woman's club will be installed June 6 at the last meeting of the club year.

The meeting will be a picnic affair at Alum Rock park. A planned pot-luck luncheon will be served, and each member is to bring her own service.

Cars will meet at the library building at twelve noon for those who need a ride. Chairman of the picnic is Mrs. Lloyd Selig. Her committee consists of Mesdames H. E. Hansen, Florence Cottle, C. N. Grizzle, A. D. Rice, H. M. Shedd, Elmer Hoeler, Felix Bersano, John Pereta and Miss Winnie Grizzle.

FIRE CHIEF JACK SCOTT ISSUES WARNING TO CAMPBELL RESIDENTS ON BUYING FIREWORKS, BURNING

Two local ordinances, one involving the issuing of permits for fireworks in this area, and the other regulating the burning of weeds or grass are again being called to the attention of Campbell and area residents by local Fire Chief Jack Scott.

"The ordinance on fire works was passed by the Board of Supervisors in 1947 and still stands," said Scott, who urged residents to re-read it before attempting to buy or bring in any fireworks to this area.

According to the ordinance, "On motion of Supervisor McKinnon, seconded by Supervisor Pfeifle, it is unanimously ordered that the Fire Chiefs of the several fire districts in Santa Clara county and the State Forest Ranger be designated to receive written applications for permits for (a) manufacture, possession or selling of any dangerous fireworks; (b) selling any safe and sane fireworks as a retailer; (c) discharge of dangerous fireworks anywhere; to investigate and submit the report of their findings and recommendations for or against the issuance of a permit to this board."

Permits may be obtained by calling Campbell 3642, said the fire chief.

The other ordinance, 378, which Scott wishes to warn the residents of concerns the yearly grass burning problem. The ordinance that is in effect in this county regulates any such practices, said Scott, and residents must observe certain rules concerning this hazardous practice in this area.

"The ordinance says it is unlawful to set fire to or burn any brush, stumps, logs, fallen timber, grass, slash lumber trash or any other combustible material unless a person first obtains a written permit to do so from the chief of the fire district within which such burning is proposed to be done," Scott pointed out. He added that the ordinance provided that "No

Trustees Award School Contract

N. A. Lamb of Campbell, with a low bid of \$49,982, was awarded the contract for the building of six large classrooms for the Campbell Elementary school when bids were opened Wednesday evening by members of the Campbell School Board of Trustees.

Others submitting bids included Earl Emley of Saratoga, C. F. Parker, San Francisco; Balliet Bros., San Francisco, and A. L. Verdier, San Francisco.

Construction will start around June 1, according to William C. Henley, superintendent, and it is hoped that the project will be completed by early fall. The building will be constructed on North Third street and will house primary grades. It will be of modern construction, similar to the six room one now on the school ground.

Henley stated that the Campbell school project was the fifth to be constructed from the \$277,000 issue voted last October by the residents of the community. Currently there are 19 other classrooms in construction at Moorpark and San Tomas schools.

such permit shall be required where the material proposed to be burned is placed in small heaps or piles within the area of a plowed field and not closer than 100 feet to any house, barn, corral, or other structure, or any dry grass, brush, grain, stubble or combustible or inflammable material or any forest covered land.

"And further provided that no such permit shall be required if such material is to be burned in an incinerator such as hereinafter described, in the daytime, between the hours of 6 a.m. and 12 noon. "Every incinerator mentioned in section one of this Ordinance shall meet the following specifications: It shall be made of some fireproof material and shall be of adequate size to hold all matter proposed to be burned therein, and shall have a one-fourth inch mesh screen, lid, or cover over the outlet, smoke-stack, or equivalent thereof, and it shall be located at least twenty-five feet from any building, fence, property line, or other structure, or forest-covered land, or dry grass, stubble, grain, or other combustible or inflammable material."

The county has made these provisions to protect its residents during the dry months and to protect life and property and the safety of the public.

"The department is planning an annual weed burning campaign and if property owners will list areas they wish burned," said Scott, "and have weeds cleared from property lines and hazards, the department will be glad to help the property owners burn, free of charge."

they finish, Dr. Corwin Olds will pronounce the benediction by the side of the symbolic grave. "Taps," will be sounded, and the honors rendered by the firing squad. The guests of honor will be Mrs. Gertrude McCure and Mrs. Ida Michaels, Civil War widows.

It is sincerely hoped that Campbell will turn out in large numbers to honor our heroic dead. It is hoped that parents will bring the younger members of the family so that part of the nation's great history may be made more impressive in their imaginations. It is hoped that this service will mean much to those who have given their sons and daughters for the nation's defense, and also mean much by way of stirring up our rather dormant love of country in these days of apparent peace.

Merchants Elect Dahl C of C Head

An Open Letter

WHAT ABOUT The lighting of the Campbell Grammar School field for the purpose of playing night soft ball.

WHY? — Because as a community which is more and more made up of YOUNG ADULTS who need the type of recreation soft-ball offers, we must provide facilities for such activity.

Because during the summer when schools are out, community activities which offer INEXPENSIVE WHOLESOME entertainment for all persons in the area are at a minimum, and can be provided through such planning.

Because the YOUTH of the area are in need of every possible means of providing themselves with activities which will occupy their leisure time, and thus they will not find it necessary to invent undesirable pastimes. Night softball will provide them with one type of acceptable outlet for their interests.

Because the CHILDREN of the area need the incentive of seeing the adults of the area engaged in worthwhile recreational pursuits. This in turn will instill within the children the desire to do as their elders, and taking the long range view, the lighted diamond will be coming in for increased use both night and day.

Because such facilities are a COMMUNITY asset which attracts desirable residents and businesses. Just as our fine schools attract a good many people to the area, then should our recreational facilities, extending the school services, also prove attractive to the potential resident as well as keeping those people who are already here and deserving of all possible advantages.

Because the installation of another good baseball diamond lighted for night playing is ONE MORE STEP TOWARD A WELL BALANCED RECREATION PROGRAM WHICH WILL PROVIDE FOR ALL AGE GROUPS IN THE AREA. For several years now, Campbell, has served as a leader in the growing feeling that "at home recreation" is a must for all communities, and should be shared in by all responsible agencies including the County government. The night lighting would be further proof that this community intends to remain in the fore front of the recreational picture.

WHEN? — The committee engaged in the providing for the lights would like to see the installation completed for use the last part of this SUMMER if possible, but certainly in time for next year's full season.

WHERE? — On the CAMPBELL GRAMMAR SCHOOL FIELD, because there is plenty of room, it is centrally located, cars can drive onto the field in order that people may sit in them and watch the games, and it is easily seen from Winchester road thus publicizing the games and the entire activity as the games are being played.

HOW? — You as an interested individual or representative of an organization or business house, may help in the following ways:

1. By direct contribution to Miss Aileen Cowdery of 80 N. 2nd St. Campbell, the treasurer of the Business and Professional Women's Club of Campbell, the sponsors of this effort.
2. By helping to promote the COMMUNITY CARNIVAL which will be held July 8th and 9th; the proceeds of which will go entirely to this cause.
3. By taking a positive view of the benefits to be derived from the undertaking, and giving FAVORABLE COMMENT on it whenever possible.
4. By being ready to assist in the construction of the installation. The committee in charge of the work has arranged things in such a way that we will be able to have a first class installation at a SAVING OF SOME \$1500 TO \$2000 because we are doing the work ourselves. The only expense will be for the materials used.

May we have your support in this venture. A successful move of this sort offers UNLIMITED POSSIBILITIES for community effort in the future, and in time we should be able to provide with the cooperation of the schools, etc., a completely equipped recreational program which will serve thousands of people throughout the entire year.

Sincerely, Softball Lighting Committee,
Campbell Business and Professional Women.

CAMBRIAN VOTERS GO TO POLLS TUESDAY FOR VOTE ON \$56,000 DECISION ON SCHOOL BOND ISSUE

Voters of Cambrian will go to the polls Tuesday to decide whether the Cambrian Grammar school will get its \$56,000 bond issue called for by the board of trustees. Polls will be open from 7 a.m. to 7 p.m.

"We expect a large turnout for the election," said D. M. Bagby, principal. "The parents of our community are well aware of the critical situation that prevails at the school in connection with our overcrowded conditions. We have sent home material and statistics telling them how very necessary this school bond issue is in Cambrian to keep pace with the times."

Enrollment at the Cambrian school jumped 58 per cent from the school year 1947-48 to 1948-49. Because of the growth, the school has made temporary classrooms in steel barracks. Every bit of available space is being used at present, said Bagby, and the enrollment is expected to take another jump in the fall.

"In April of 1946 Cambrian School had a bond issue of \$62,000," said the principal. "It passed and by spending that amount the State granted the district \$125,000 for the program that is now under construction. We are again faced with bonding in the amount of \$56,000. If successful we should be eligible for further state aid."

The school district needs the passage of this bond issue if it is to offer educational opportunities to its pupils comparable to those they deserve, Bagby added.

Classrooms of the makeshift variety number nine at present. However, these rooms are classified as substandard and should be replaced as soon as possible.

LOCAL BUSINESS MAN WINS VOTE IN NEW ELECTION BALLOTING SYSTEM; OFFICERS TAKE OVER JUNE 1

Joe Dahl was voted into the presidency of the Campbell Chamber of Commerce by local merchants through an election innovation carried out for the first time here. Under the new system members of the Chamber were sent post cards with the candidates' names and asked to return their vote in the mail. Deadline was Monday for ballots.

Other officers of the Chamber, as released by outgoing President Larry Hill, are Cel Gerevas, vice-president; Art Mayo, treasurer; Fred Jones Sr., and Richard Morton, directors. New officers will take over June 1.

Nominated by a committee to run for two seats on the board of directors were Mrs. Azalia Shaw, Mrs. Emily McConnell, Fred Jones Sr., Richard Morton, Mrs. Esther Burnett, I. O. McConnell and Gene Barnes.

The Board of Directors of the Chamber also appointed Budd Levenberg as the local representative to attend the final hearing on the County building site held Wednesday in San Jose.

At the regular Wednesday meeting of the Chamber of Commerce in the library club-room final reports from various committees were read by members. Public Improvement Committee reported that the lighted Campbell signs at the corners of Winchester and Campbell avenue and the corner of Campbell and San Jose-Los Gatos road, are being fixed. The Merchants' Patrol Committee reported good progress in their efforts to find a satisfactory solution to the watchman question. They will continue to investigate all possible solutions until one final answer to the problem is obtained.

Members of the Lights Committee reported that PG&E would start erecting lights in areas not lighted at present, and in the lighting district serviced by them, sometime in June.

A representative from the telephone company is being asked to speak before members at the June 15 meeting on possibilities of allowing Campbell to become a part of the San Jose exchange and also to explain the new dial system and its effect on Campbell residents.

Members of the committee to have a stop light erected at the corner of Hamilton and San Jose-Los Gatos road are still working. Several traffic checks have been made, they reported, to determine the necessity for such a light. As the checks are being made by the highway commission office, no final report has been issued as yet.

The California Highway commission will install new road signs leading into Campbell in the very near future, reported members of the road sign committee. The AAA is working with the commission to carry out the necessary signs.

Following the business session, movies of Old Settlers' day were shown, followed by refreshments. President Hill presided at the meeting which was closed by the incoming President Dahl.

Plan now to donate your share for the lighting project at the Campbell Grammar school ball field. Make Campbell's recreation program tops.

Administrators Exchange Ideas

Eleven school administrators from this territory gathered Tuesday evening in the Campbell Grammar school administration building for a meeting to exchange ideas on public relations between schools and the public. This exchange of ideas is part of a state wide program to bring about closer cooperation between schools and community residents.

During the meeting it was brought out that the best results in favorable public relations are brought about by putting forth the best education program possible.

MEMBERS OF VALLEY HOMES, INC. STAMP VOTE OF APPROVAL ON \$50,000 AQUINO PARK PROJECT

Approval of plans for the \$50,000 development of Aquino Park in the Valley Homes subdivision on West Parr avenue, was voted Monday night at a general membership meeting of Valley Homes held at the San Tomas school.

Development of the two-acre recreation area includes construction of a 4200 foot club house, small children's play area, ball diamond, tennis, volleyball, handball and badminton courts.

Appointment of James Allen, former area bureau manager for United Press and newspaper editor, as promotion director of the project was announced at the meeting. Endorsement of the program by the newly formed Campbell Junior Chamber of Commerce was also announced at the session.

Installation of the ball diamond was authorized by the club house expected to start within the next sixty days. Committee members were instructed to obtain construction bids for presentation at the next meeting.

Del Lucot, president of the Board of Directors, assisted by Ralph Herzog, outlined the entire building program to the membership prior to their vote of approval.

Treasurer Hugh Allen reported better than \$2000 in cash and assets for the non-profit veterans corporation. Lucot reported that only four unsold lots were left in the 80-home subdivision, one of the lots being held for a prospective buyer.

American Legion, Auxiliary Join Forces For Potluck Supper In IOOF To Honor Past Local Commanders

Members of the American Legion and Auxiliary enjoyed a joint pot-luck supper and meeting Wednesday evening in the IOOF hall in commemoration of the Campbell Post's Past Commanders' night.

Speaker during the supper was B. J. Rudquist, Chief of Special Services at the Palo Alto Veterans hospital who stated 610,000 men in World War II were discharged because of mental illnesses and that mental illness has no regard for color, religion, or intelligence.

In speaking of the valuable program being carried out by Legion and Auxiliary members in their monthly visits to the hospital, Rudquist, who was introduced by Mrs. C. E. Fagalde, rehabilitation chairman for the Auxiliary, stated that with 1700 veterans at the hospital, they only have a staff of 50 doctors and it is impossible for them to spend all the necessary time providing recreation for the individual veteran.

Rudquist also presented Mrs. John Morely and Mrs. Fagalde with special certificates of merit for completing the rehabilitation course and contributing their time to the hospital work.

During the evening meeting which was conducted by Commander Guy Smith of the Legion and President Mrs. Morley of the Auxiliary, Tony Ferro was presented by Smith with a merchandise certificate as an expression of appreciation by the Legion for taking care of the flag at the Campbell Honor Roll since its construction in 1944.

Honored guests at the meeting also included Sid Branneman, district Americanism chairman for the district, Harold Johnson, 13th district representative, Kate Cunnison, 13th District Auxiliary president, Stephanie Casaurand, 13th District vice president and Mabel Johnson, 13th District Treasurer-Secretary.

It was announced that all Legion and Auxiliary members were to gather at 10:15 a.m. Sunday morning, May 29, at the IOOF hall to attend Memorial Day services in a body at the Campbell Congregational church, where the

Rev. Corwin Olds, a Legion member and Chief Chaplain for the California National Guards, has prepared a special Memorial Day service.

Memorial Day services will also be conducted by Legion members Memorial Day at 11 a.m. in the high school stadium.

Garden Club Will Hear Mrs. Wells At June 1 Meeting

Members of the Campbell Garden Club will convene promptly at 2 p.m., June 1, in the Country Woman's Clubhouse to hear Mrs. Richard Wells, who will speak on color harmony in the home and garden. This being guest day, all members are urged to attend and bring a guest.

At the last meeting which was held June 18, the members made a tour of different club members' gardens of Mrs. Wm. Ostermeier, gardens of Mrs. Iliam Ostermeier, Mrs. F. N. Johnson, Mrs. Robert Drexel and Mrs. R. J. Lewis. The tour ended at the Lewis home where refreshments were served and a short business meeting held, at which time plans were laid for the annual garden and fashion show to be held August 31 at the Lewis home.

During the garden tour club members also visited at the E. W. Buchnall home on San Tomas Rd., where they admired his field of hybrid delphinium.

Les White, former proprietor of the Arosi Courier, is back in town again. He sold his newspaper and returned once again to this area.

Mrs. Clarence Fagalde Tells Chairmen Duties For Coming School Year At Executive Board Luncheon May 19

The home of Mrs. L. W. Brown, San Jose-Los Gatos road, was the scene of a pot-luck luncheon May 19 for the Campbell Grammar school executive board. Mrs. Clarence Fagalde, El Paradiso Council president, spoke on the duties of chairmen for the coming 1949-50 school year.

It was recommended that a dish garden be made the room prize instead of the usual \$1.50. The group voted to accept the suggestion and Mrs. R. O. O'Flying was made chairman of the dish gardens.

The school carnival the children of the grammar school put on needed about \$350, it was reported.

Present at the meeting were mesdames Mrs. O'Flying, Mrs. Dorothy Royce, Everett Nelson, L. L. Kaufman, J. R. Longfellow, Herman Owen, H. Binley, Frank Lima, George W. Bachman, Colin Murdock, Clarence Nelson, Ray Davis, C. O. Freude, William Ostermier, Ben Howard, George Hizer, Clarence Fagalde, Ed Marcum, A. W. Page, C. E. Nelson.

WCS INSTALLS NEW OFFICERS

Among the new officers of the Women's Society of Christian Service at the Campbell Methodist church, are Mrs. R. L. Root, promotion secretary, and Mrs. Rudy Golden and Mrs. Earl Buck, Christian Social Relations secretaries. They were installed with other officers at the recent candlelight ceremonies at the local Methodist church.

As we understand it, the photograph retoucher is a man who changes the likeness of people from what they really are to what they think they are.

The CAMPBELL Register

Mr. and Mrs. Leonard Dardanelli 650 W. Parr, entertained guests at a dinner party recently honoring the two guests of honor Mrs. Joseph Anello and Miss Rose Anello. Both Miss and Mrs. Anello left Sunday for a ten day stay in Portland, Oregon. Other guests at the dinner were Mr. and Mrs. Frank Dardanelli, Nate Dardanelli, Mr. and Mrs. Mike Anello, and Joe Anello.

Mrs. R. Lewis Brown, 45 Alice avenue and Mrs. Gallen Thompson acted as co-hostesses in entertaining a group of children's workers and teachers of the First Methodist church Monday evening. Plans were made for the observ-

ance of children and students day June 12.

Other summer activities were also discussed including class projects. Addition space was decided upon for the first growing kindergarten department. Fifteen women were present.

A tea honoring Mrs. George C. Durney will be given by the Moreland PTA Saturday from 2 until 5 p.m. at the Moreland clubhouse. Mrs. Payne is completing 27 years of service as Moreland school trustee and is retiring at the close of the present school term. A program to be presented by Moreland students has been planned by Mrs. Barbara S. Taylor. Friends of Mrs. Payne of Moreland school and parents of Moreland school children are invited to attend.

William R. Hill, seaman, USN, son of Arthur T. Hill of Route 2, Campbell, is scheduled to visit the Naval Academy, Annapolis, Md., from May 26 to June 2 aboard the landing ship USS 512. The ship will be open to visitors while at Annapolis, in conjunction with June Week graduation exercises held at the Naval Academy.

Over the weekend holiday Mr. and Mrs. Clifford Gerlach are spending the extra days in Yosemite.

Marywelyn Peterson, daughter of Mr. and Mrs. Wilfred A. Peterson, Milton street, was installed May 21 as Worthy Advisor Order of Rainbow for Girls in the San Jose Assembly No. 5, Masonic Temple San Jose. Many summer parties are planned for the group. One of the social highlights will be a picnic with the Campbell Jobs Daughters and Demolay boys of San Jose.

Several new Campbellites were added to the local register this month. Born to Mr. and Mrs. Harry Winship on May day was young Gary Wayne Winship. He arrived at O'Connor hospital. Also at O'Connor's came Erica Lee Sargent, daughter of Mr. and Mrs. Russell Bernard Sargent, Casey road, Campbell. She arrived May 1 too. On May 3 came tiny Diane Susan Wisler, daughter of Mr. and Mrs. Wilmer Wade Wisler, 308 Harrison.

Just a few weeks ago at O'Connor's came Lawrence Lee Rose, son of Mr. and Mrs. Richard Lawrence Rose, 575 South McClincey. He arrived May 9.

Mrs. L. J. Barber and Mrs. Monica Parr are to be thanked for the centennial colored garden they recently planted under the Roosevelt tree, corner of Campbell avenue and Winchester road. The two members of the Campbell Garden club stated that the Campbell Water company is cooperating with them on the project.

Mr. and Mrs. Rex Fuller and family returned early Thursday morning from Los Angeles where they attended the funeral services for Mr. Fuller's mother, Mrs. H. A. Fuller, who passed away Sunday.

Events are only the shells of ideas; and often it is the fluent thought of the ages that is crystallized in a moment by the stroke of a pen or the point of a bayonet.

Campbell Group of Agricultural Extension Service To Hold Outing, Potluck Luncheon Here June 3

The final meeting of a very successful year for the Campbell group of the Agricultural Extension Service will be in the form of a potluck luncheon at the home of Mrs. H. Deach, 461 El Patio at the corner of Poplar, from 11 to 3 p.m. Friday, June 3.

Mrs. Edythe Flagg and Mrs. Ann Johnson, chairman and co-chairman, are planning a very entertaining day. They will have a barbecue demonstration on the working of shish-kabobs. A small sampling of this delicious dish will be given to each woman present. In addition the preparation of other dishes for outdoor meals will be demonstrated by Mrs. Catherine Dykowski and Mrs. H. Deach of Campbell.

As fun and frolic are the order of the day, games and other entertainment will be provided for the guests. Since other meetings of the Extension Service have been instructive in nature, this final meeting promises to be both educational and highly amusing, Mrs. Flagg said.

All of the women attending this final outing are asked by the chairmen to contribute one

dish to the main potluck luncheon and their own table service. Coffee will be served to all of the guests.

Home, School Club Plans June Party

Members of the Cambrian Home and School club executive board met May 26 at the home of President Mrs. C. F. Helmbold and made plans for the Men's club party to be held June 18. Plans include a card party, ball game, potluck supper and movies for the children.

Mrs. Maurice Weeks is ill and around again after being ill for a number of weeks.

We Salute Campbell!

Sometimes there are "acres of diamonds" on our very doorstep. That is how we feel about Campbell. Wonderful people.

David F. Rutherford

Fine stores and services. Grand organizations and clubs — for men, women and children. Healthy, happy, secure youngsters going to good schools. Yes we have everything in Campbell for which to give thanks.

This marks the beginning of A Tribute to Our Town, and for what it stands. We hope you will single these out . . . joining with us in paying tribute and respect to a fine, typically American community . . . Campbell!

YOUR EASIEST WAY TO FIND THINGS

A handy guide to folks who serve or sell — the Yellow Pages are an "extra" that makes your telephone more valuable

1. Need first aid for a lacerated paw? The Classified Section of your telephone book can give you the name of your nearest veterinary — fast. Day in and day out, the Yellow Pages are ready to help you meet emergencies . . . or answer routine "where to find it" questions. Classified is an important part of your telephone service.

2. A happy solution — that's Classified's specialty. Each easy-to-find listing gives the address as well as the telephone number of the store or service you want . . . if you want to go in person, you can find the spot closest home. Many articles are listed by brand — along with stores selling them — if you're looking for a particular one.

4. Your telephone serves in many ways — Classified is one often taken for granted. But it's part of what we do to make your service valuable. Today you can reach more people — more can reach you. Yet the cost of service remains low. A call is yours for just a few pennies . . . a real bargain in these days of high prices.

3. It's a market place that stays by your telephone. Classified's job is to bring buyer and seller together — quickly, easily. In a recent survey, some three out of every four people said they use it often or sometimes . . . and they mentioned hundreds of different businesses or services they remembered reaching through the Yellow Pages.

The Pacific Telephone and Telegraph Company

Your telephone is one of today's biggest bargains

Three Campbell Bluebird Groups Hold Pot Luck

Three recently-formed Bluebird groups of Campbell, together with their leaders, parents and families, enjoyed a potluck supper on Friday, May 20, at the Methodist church in Campbell.

After the supper the Bluebirds spent the time getting acquainted and in watching skits performed by each group.

On Saturday all three groups attended the Bluebird Play Day at Peter Burnett Junior High in San Jose. A Campbell Bluebird, Joyce Scortino, won second prize for the most gaily decorated lunch box.

The three new Campbell groups are: Skylark; Mrs. C. L. Ackerman, leader and Mrs. H. Binley and Mrs. Faulkner, sponsors; Larkspur, Mrs. Harry Smith, leader and Mrs. H. R. Strickland and Mrs. J. W. Corey, sponsors; Blue Fairy, Mrs. J. C. Jensen, leader assisted by Mrs. H. Story.

State To Employ Veterinarians For New Program

Nationwide recruitment efforts are currently under way to employ veterinarians in the State Department of Agriculture livestock and meat inspection program, it was announced today.

Graduate veterinarians with or without experience may qualify for the \$358 monthly positions in an examination to be held throughout the country on July 16, 1949, it was stated. Applications are being accepted by the State Personnel Board through June 25.

Final filing dates for other state civil service positions are listed here:

June 23: Associate Counsel, Department of Insurance, \$481, and Vocational Rehabilitation Officer, \$325.

June 25: Semi-Senior Insurance Examiner, \$325; Escrow Officer, Department of Veterans Affairs, \$310; Senior Modus Operandi Technician, \$341; Junior Field Crop Inspector, \$255; and Highway Field Office Assistant, \$255.

United States citizenship is required of all candidates. Details about these examinations and application forms may be obtained from the State Personnel Board

offices at 1015 L street, Sacramento; 305 State Building, Los Angeles, or 107 State Building, San Francisco.

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE.

In the Matter of the Estate of VIOLA DONALDSON, Deceased. NOTICE IS HEREBY GIVEN

that THOMAS F. KILMARTIN, the undersigned Administrator of the Estate of Viola Donaldson, Deceased, will sell at private sale to the highest bidder on or after the 3rd day of June, 1949, and upon the terms and conditions hereinafter mentioned, all of the right, title and interest of the above-named decedent in and to all that parcel of land situated in the Town of Campbell, County of Santa Clara, State of California, described as follows, to-wit:

Commencing at a point on the Westerly line of First Street distant thereon 537 feet Northerly from the point of intersection of the Northerly line of Campbell Avenue with the Westerly line of First Street; and running thence Northerly along said Westerly line of First Street 50 feet; thence at right angles Westerly 142 feet; thence at right angles Southerly 50 feet; thence at right angles Easterly 142 feet to the point of commencement. Being a part of the South West 1/4 of Section 26 T. 7 S. 1 W. of Mount Diablo Base and Meridian.

Also beginning at the Southwesterly corner of the lot of land first described in that certain deed from Cora May Townsend, to said party of the first part, dated July 24, 1919, and recorded in the office of the County Recorder of Santa Clara County, in Book 489 of Deeds at page 307 et seq.; running thence westerly along the prolongation of the Southerly line of said lot, 7 1/2 feet, thence Northerly parallel with the Westerly line of said lot, 50 feet; thence Easterly seven and one half feet to the Northwesterly corner of said lot; and thence Southerly along the Westerly line of said lot 50 feet to the point of beginning.

TERMS AND CONDITIONS OF SALE: Cash in lawful money of the United States; ten (10) per cent on acceptance of the bid and the balance on confirmation of sale by the Superior Court.

All bids or offers for said above-described property must be in writing and may be left at the

law offices of MARTIN S. WALSH, 338-339 Security Building, 84 South First Street, San Jose, California, or may be delivered to said Administrator personally, or may be filed in the office of the Clerk of the Superior Court of the State of California, in and for the County of Santa Clara, at any time after the first publication of this Notice and before confirmation of the sale. DATED: May 12th, 1949.

THOMAS F. KILMARTIN, Administrator of the Estate of VIOLA DONALDSON, Deceased.

MARTIN S. WALSH, Attorney for Administrator 338-339 Security Building San Jose 16, California Campbell Office: 300 No. Harrison Avenue Campbell, California.

5-19, 26; 6-2.

CERTIFICATE OF INDIVIDUAL DOING BUSINESS UNDER FICTITIOUS NAME. KNOW ALL MEN BY THESE PRESENTS:

I, the undersigned, JAMES DE ROSE, do hereby certify: That my name in full is James DeRose and that my place of residence is Rt. 1, Box 146, San Tomas Rd., Saratoga, California.

That I am transacting business in the State of California under the fictitious name and style of Dolly-Ann Shop; that I am the sole owner and proprietor of said business; that the place where said business is carried on and my principal place of business under said name is situated at 166 East Campbell Ave., Campbell, California.

IN WITNESS WHEREOF I have hereunto set my hand this 14th day of May, 1949.

s/ JAMES DE ROSE State of California,) ss

County of Santa Clara)

On this 14th day of May in the year one thousand nine hundred and forty-nine, before me, Norman A. Stoner, a Notary Public in and for the County of Santa Clara, State of California, residing therein, duly commissioned and sworn, personally appeared James DeRose, known to me to be the person whose name is subscribed to the within instrument, and acknowledged to me that he executed the same.

IN WITNESS WHEREOF I have hereunto set my hand and affixed my official seal in the County of Santa Clara the day and year in this certificate first above written.

s/ NORMAN A. STONER Notary Public in and for the County of Santa Clara, State of

California. 5-20, 27; 6-3, 10. (Seal)

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the Secretary of the Planning Commission of the County of Santa Clara, State of California, has set the hour of 2:00 p.m. on Wednesday, the 15th day of June, 1949, in the Court House, San Jose, California as the time and place for public hearing on the application of W. M. Lloyd for an

Adjustment in the provisions of the Zoning Ordinance to permit the extension of the M-1 zone into the R-1 zone on property located at the Southwest corner of Campbell Avenue and Dillon Avenue in the town of Campbell.

INTERESTED PERSONS may appear and be heard at said hearing.

SANTA CLARA COUNTY PLANNING COMMISSION WILL B. WESTON, Chairman 174.184 5-27

SCHOOL BOND ELECTION NOTICE

NOTICE IS HEREBY GIVEN to the qualified electors of the CAMBRIAN School District of the County of Santa Clara, State of California, that in accordance with law an election will be held on the 31st day of May, 1949 in said District, between the hours of 7 o'clock A. M. and 7 o'clock P. M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of Fifty Six Thousand Dollars (\$56,000.00) for the purpose of raising money for the following purposes:

The purchasing of school lots; The building or purchasing of school buildings; The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation or repairs; The repairing, restoring, or rebuilding of any school building damaged, injured or destroyed by fire or other public calamity; The supplying of school buildings with furniture or necessary apparatus of a permanent nature; The permanent improvement of the school grounds. All of the foregoing purposes enumerated herein are hereby united, and shall be voted upon as one single proposition. Said bonds proposed to be issued and sold shall be of the denominations hereinafter specified, and shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter, and shall be numbered from 1 to 56 consecutively, payable as follows: to-wit:

Bonds Numbered (Inclusive)	Denomination	To Run
1 to 6	\$1,000.00	1 year
7 to 11	1,000.00	2 years
12 to 16	1,000.00	3 years
17 to 21	1,000.00	4 years
22 to 26	1,000.00	5 years
27 to 31	1,000.00	6 years
32 to 36	1,000.00	7 years
37 to 41	1,000.00	8 years
42 to 46	1,000.00	9 years
47 to 51	1,000.00	10 years
52 to 56	1,000.00	11 years

For the purpose of holding said election, the School District shall be and is hereby established as the Bond Election Precinct, numbered one, and the persons hereinafter named, being competent and qualified electors of said School District, are hereby appointed officers of election as hereinafter designated, to serve in their respective Bond Elec-

tion Precinct as hereinafter set forth; and said Officers of Election shall conduct said election and make returns thereof pursuant to law. The voting precinct, polling place, and election officers duly designated and appointed are as follows:

BOND ELECTION PRECINCT NO. 1 shall include all the area embraced in the Cambrian School District; POLLING PLACE therein shall be Cambrian School, corner San Jose-Los Gatos Highway and Casey Road, Campbell, Calif.

OFFICERS OF ELECTION for said Bond Election Precinct: Inspector: Genevieve N. Helmbold.

Judge: Eleanor H. Nelson Judge: Wilma J. Weltz.

IN WITNESS WHEREOF, we have herunto set our hands this 4th day of April, 1949.

FRANK L. STEINDORF WILLIAM C. SARTORETTE

EARL F. GRIPENSTRAW Members of the Governing Board of Cambrian School District of Santa Clara County.

STEP AHEAD WITH
ELECTRICAL LIVING
Better meals • lower cost!

A HOME FREEZER pays for itself!

TEAM MATE of the electric refrigerator for modern food conservation in the electric homes of today, is the money-saving home freezer. The refrigerator with its day-to-day storage of perishable foods keeps meal-time rations handy in the kitchen. The home freezer maintains a varied stock of foods in month-to-month or long time supply. That is the modern trend. That is why you see both the refrigerator and the home freezer in the model electric homes you visit and in the colorful pictures of electric kitchens you have admired in your favorite home magazines. Make sure your kitchen is in step with the times—with a refrigerator AND an economical home freezer.

BPWC Gives \$100 To Double Lighting Fund For School

With a vote to contribute \$100 toward the grammar school baseball field lighting project, Campbell Business and Professional Women doubled the donation fund which had reached \$101 by previous donations.

The vote, which was based on \$2.50 per member, was taken at the regular dinner meeting of the group held Wednesday at the home of Mrs. Cecile Schad on Payne avenue.

Mrs. Mary Grey, lighting project chairman, announced that all local clubs have been contacted and have been asked to donate to the project. A carnival, with clubs participating and donating all profits toward the project, has been planned for July 8-9.

The Rev. Corwin Olds, pastor of the Campbell Congregational church, was guest speaker for the evening and told the group of the character guidance work now being done in the Army. Rev. Olds spent 20 years in the Army serving as chaplain.

Campbell BPWC members are sponsoring Rose Resnik in a piano concert to be held Friday, June 24, in the Campbell Union High school auditorium. Miss Resnik, who is a blind pianist, donates the profits from her concerts toward recreation for the blind.

Other donations toward the lighting project for the grammar school were read to the group. They are: D. Jeffers, \$10; Lucy's Men's club, \$10; Howard Smith, \$1; Campbell Hardware, \$20; Horace's Grocery, \$5; Burnett's Appliances, \$5; De Maria Shoe Shop, \$5; S. Penhall, \$10; Merle Shares, \$10; Anthony Raffanti, \$20; Bud Weeks, \$5.

STEINDORF CALLS MEETING OF ALL CHERRY GROWERS TO DISCUSS CROPS

Cherry growers will have an opportunity to keep abreast of prices, and demand for their products, and the general development of the cherry crop in all areas when the cherry section of the Santa Clara County Farm Bureau meets at the organization's offices, 2271 the Alameda, Santa Clara, Thursday, June 2, at 8 p.m. Cherry section chairman Frank Steindorf of Campbell will preside.

Hal Davis Named Sales Manager At Spotswood Motors

Hal O. Davis, former assistant manager of the Los Gatos Telephone Company, this week began work in his new position as sales manager of Spotswood Motor Sales, 66 East Main Street, Los Gatos.

Davis, president of the Los Gatos Kiwanis Club, had been employed with the Pacific Telephone and Telegraph company prior to entering the Los Gatos phone company. He has also had experience in sales and merchandising and studied the field at the University of California where he majored in advertising and merchandising. Mr. and Mrs. Davis and their children, Michael and Peter, live at 93 Broadway, Los Gatos.

When he resigned his position with the Los Gatos Telephone Company, Davis was commended by the company manager, Lyndon Farwell, for his excellent work with the organization.

Two Fire Alarms For Grass Blazes In San Tomas

Two fire alarms in San Tomas rang within ten minutes of each other Sunday calling volunteers to put out fires on East Lovell and Walters avenues. Both were grass fires, according to assistant captain C. C. Pray.

Firemen were called at 12:20 p.m. to extinguish flames at 835 Lovell. At 12:30 the truck sped to Rt. 2, Box 1475 Walters avenue to stop another blaze, he said.

"Fires at both homes were caused by grass burning," said Pray. "Although no damage was done in either case, the fires could have been serious. Residents are cautioned to check the county fire ordinances on the rules of grass burning before attempting to dispose of anything in their yards." (See ordinance regulations elsewhere in the Press today.)

Six Local Teachers Resign Post For Coming Fall Term

Six teachers in the Campbell Union Elementary school district have announced their resignations to William C. Henley, superintendent of the district. Various reasons were expressed for leaving.

Those who did not renew their contracts were Mrs. Roberta Ford, second grade, Campbell Grammar school; Mrs. Jean Johnson, fourth grade, Campbell Grammar school; Mrs. Loretta Ang, seventh grade, Campbell Grammar school; Mrs. Helen Poley, first grade, Moorpark; Mrs. Uva Wright, kindergarten, San Tomas and Mrs. Evelyn Taix, sixth grade, San Tomas.

In the fall new teachers will be added to the staffs in the district in addition to those who will fill vacancies.

'Britain's Struggle' Topic of Speech

"Britain's Struggle Back to Prosperity" was the topic of the speech presented by Ron Arcos, Englishman from the vice-council office of Immigration, before the members of the Rotary club Monday afternoon. Jack Payne was chairman for the day.

Arcos told of the economic conditions in England as a result of the war and spoke of food and other commodities.

"England will be out of her economic plight by 1952," the Englishman said. "By that time she will be ready to discontinue the Marshall Plan aid to the country."

Following Arcos' speech the meeting was thrown open to a question and answer period. It was announced that Secretary Forrest Reese, recuperating from a recent operation, would be back on the job at the next meeting June 6.

San Tomas Club Plans Big Carnival For June 4

The San Tomas Elementary school's newly formed Men's club are completing plans for a big Carnival Day on the San Tomas school grounds Saturday, June 4.

The Men's club is sponsoring the gala affair in order to raise money for the school playground equipment.

The Carnival chairman, Cecil Rose, 841 West Parr avenue, stated that hundreds of excellent prizes will be given away on carnival games. The top prizes consist of a Philco Home Freezer, a Delco Radio, and a beautiful handmade quilt made by the ladies of Smith avenue, Campbell.

In addition there will be more than 20 booths offering everything from inner tubes to permanent waves. Some of the booths already completed are: baseball booth to be run by Elwyn Lackman; water gun booth by Ed Gault; bingo game by Don and S. S. Ridgely; enchilada booth by Henry Lastra, and movies by Ted Cutting.

On the committee for the Carnival, in addition to Rose are Tom Allen and Phil Lucas.

Moreland School To Pre-Register Children June 1-3

Parents in the Moreland Elementary school district will pre-register their kindergarten and first grade youngsters at the school June 1-3 from 9 a.m. until 3:30 p.m., announced Principal Mrs. Gussie Baker.

Children who were four years old before March 1 of 1949 are eligible for kindergarten, said the principal. Children five years old before March 1, 1949, are eligible for the first grade.

"If a parent is for some reason unable to pre-register his children on these dates," said Mrs. Baker, "he may call Santa Clara 1434-J and register them. We prefer to have the parents come to the school office, but if it is impossible the phone call will do the trick."

Children's Service Guild Changes Meeting Date To Stimulate Attendance For Future Events

New meeting date of the Children's Service Guild is the third Monday of each month. This new time was decided upon at the May 19 meeting in hopes that more members would be able to attend future meetings.

It was decided to buy several Mexican and Spanish records for the children at the hospital. Various ways and means of acquiring two new radios were discussed.

A plan was worked out at the meeting whereby the older playladies of the group would sponsor or help one new member learn the correct procedures at the hospital.

Miss Mae Widmann, supervisor of pediatrics, spoke of the patients with whom the playladies of the group worked. She told of patients' symptoms and diagnosis so that playladies would understand their patients and be better able to entertain them. In this way the ladies could mildly stimulate and relax them and still leave them ready for rest.

Mrs. Vincent Gorman, president, presided and reminded the group that the next meeting would be June 20.

Sixth Graders To Hold 'Get-Together'

Sixth grade classes from Campbell, Moorpark, and San Tomas grammar schools will assemble Wednesday, June 1, at 9:15 a.m. for the annual "get-together."

Miss Patricia Larson Demonstrates Pressing Techniques To Members Of Cambrian 4-H Club In May Meet

Forty members and their guests attended the May 13 meeting of the Cambrian 4-H club at the Cambrian school. Miss Patricia Larson, assistant home demonstration agent, gave a demonstration on pressing which was enjoyed by members and parents alike.

Other speakers who talked at the meeting were Fred Lühring, Santa Clara county fire chief, and Mrs. Adamae Barnes, clothing leader. Lühring gave a talk on the organization of the county fire department and also some points on fire prevention.

They will discuss the issues raised by their essay before a panel of community judges tonight at 7:30 p.m. in the Woman's clubhouse on the campus.

First prize will be \$100 and the second, \$25. Each of the winners will also receive a trophy.

The prizes were established thru a \$3500 gift from Samuel P. McKinney, M.D., of Los Angeles, a graduate in the class of 1884 from Rensselaer Polytechnic Institute.

Realizing the value to engineering students of widening their range of interests, and of acquiring the habit of reading for pleasure and developing the ability to express ideas effectively, Dr. McKinney established the prizes to stimulate such activities among prospective engineers, Dr. Jones explained.

Books recommended to the contestants as background information or the contest were: "The Culture of China," by Lewis Mumford; "Our Plundered Planet," Fairfield Osborn, and "Erewhon,"

At the next meeting of the club, members will bring their record books and awards from Exhibit Day at the Santa Clara County Fairgrounds. There will be a photographer at the June meeting to take group pictures of the club in its first year.

Campbell Student Essay Finalist

Katsumi Hikido, Campbell, is among the four Stanford student finalists in the 1949 competition for the Mary A. Earl McKinney prize, awarded for the best essays by undergraduates in the Stanford School of Engineering. The announcement was made Monday by Richard Foster Jones, head of the university's department of English.

Subject of the 1949 contest is "The Responsibilities of the Engineer in a Democratic Society."

The finalists are: Robert A. Bernstein, Hikido, Richard B. Lentz, and Albert B. Lockwood.

Just heard about a fellow who had a cuckoo clock in his bedroom. One morning the clock went out of order and cuckooed twenty-seven times. He jumped out of bed in a panic crying, "Good grief, that's the latest I've ever been!"

Time to get that watch out of the drawer and put in order for the working season. Johns Jewelry will fix it now and hold until you're ready for it.

The only difference between the Campbell avenue speedway and the Utah salt flats is that on the salt flats spectators must stand back at least a mile.

From experience comes faith.

Gruens, Elgins, Bulovas from Johns Jewelry for the graduate.

The priceless ingredient of every product is the honor and integrity of its maker.

Need cash to meet a personal emergency?

Bankloan Plan Personal Loans

Thousands of Californians use our Personal Loans to pay doctor or hospital bills, to consolidate debts, for insurance premiums, tax payments, education, and many other worthwhile needs.

Convenient monthly payments

Bankloan Plan offers you a confidential and dignified way to borrow—without embarrassment, without red tape or delay. You quickly receive the full amount borrowed, then repay in convenient monthly payments.

Borrow wisely

It's wise to follow these common-sense rules: Borrow only for worthwhile purposes. Know in advance exactly what your loan will cost. And borrow no more than you can repay without worry, and without sacrificing your savings and life insurance programs.

AMERICAN TRUST COMPANY
BANKING Since 1854

Come in for friendly counsel

Most regularly employed persons may borrow through Bankloan Plan upon their own signature, without security or co-signers. For helpful counsel in time of financial need, talk to "The Personal Loan Man" at any office of this bank.

News from ORCHARD CITY GRANGE

By ROBERT WURFER, Sr.

Orchard City Grange had a very well attended regular meeting at the Odd Fellows hall in Campbell Tuesday. George Shattuck, worthy master pro tem, gave the meeting over to the worthy lecturer Wesley Youngclaus who presented a group of seven high school girls who entertained the Grange with music and songs. Miss Beverly Briddon, piano solo, got a prolonged applause and responded with other numbers. Next was a sextette, composed of Virginia Bese, Beverly Briddon, Lillie Melean, Glenella Walton, and another young lady whose name we failed to get. Adagio by Mozart on a cello by Miss Mardel Saunders accompanied on the piano by her mother Mrs. David Saunders. They were all very much applauded and the Grange thanks these fine young girls for a very pleasurable evening. It is indeed a pleasure to hear a group of our local young talent give such a splendid performance and we know a good many of us, if we had to choose between hearing a prima donna or a local group of our young people, we would choose to hear the latter.

Next the worthy lecturer presented Mr. Richard T. Forbes, educational director of the water conservation district in this valley, who gave a brief, clear and very interesting talk on the dams in the valley and on the proposed Coyote dam, showing slides of the existing water conservation and the water that could and should be conserved.

Water conservation has been one of our main problems and has been discussed at most all of our meetings for a long time as it concerns our cities as well as our rural areas. The meeting was then taken over by our Worthy Master George Shattuck for a brief business session. Several visitors were present, our worthy district deputy, E. M. Standish, and from Almaden, C. M. Currier, master of Sunnyvale Grange and Mrs. Cur-

rier, Mr. and Mrs. C. A. Hedlund of Salva Grange 1591 in Salva, Illinois, who are visiting Mr. and Mrs. H. Shadle and others in California, our old standby Levy Richman of Gilroy and Mrs. I. Scow of San Jose.

Five new candidates received the degrees from the district deputy E. M. Standish, the new members being Mr. and Mrs. C. A. Bradley, Mr. and Mrs. A. J. Wining. Deputy Standish, after a few remarks on the fine program of these young ladies, announced the next Pomona meeting to be at Almaden Grange on June 4. Among those having birthdays this month was our worthy treasurer Harry Barnes, state grange official, who put 50 pennies in the birthday collection box. Several remarks were heard from those present and we had to sing four times "Happy Birthday to You" before those pennies were all put into the box, one by one.

After the meeting refreshments were enjoyed by those present. It seems to have been enjoyed very much as we did not break up until the wee hours. The refreshment committee consisted of Mrs. Anna Hedegard, chairman, Mrs. Curry and Miss Ruby Crow. Prizes were given to Mrs. K. Shadle, first prize; Mrs. Hughes, second prize, and Mrs. McChesney, third prize for the most beautiful flower ar-

Medical Missionary Dr. Catherine Mabie Returns To U. S. After Spending 45 Years Serving Congo Natives

Campbell and all of the United States, although native to the latter, were a bit new at first to Dr. Catherine Mabie, retired medical missionary who spent 45 years in the Belgian Congo. She is now the house guest of Mr. and Mrs. Edwin C. Seakins.

Dr. Mabie went to a Congo in 1898 that was called by Stanley "Darkest Africa." During Dr. Mabie's stay, the conditions changed rapidly until today the area now has "light," said Dr. Mabie. Diseases so little understood in 1898 and for which so little could be done are now largely under control, she added. In many areas of the Congo, sleeping sickness, once such a dreaded disease, is now negligible.

"Native nurses and doctor's assistants have and are being trained in large numbers. They treat and care for the majority of the dispensary applicants. A young assistant who worked with Dr. Mabie for 20 years can do almost everything I did," the doctor said. Each week he gave between 50 and 60 injections without missing.

Dr. Mabie served for 30 years as school doctor and Bible instructor. American, British and Swedish all cooperate in running a training school for pastors and teachers for the entire area. Many thousands of new members are added to the church every year with over 7000 joining in 1948.

"There has been much progress in improving living conditions, personal and village hygiene through the teaching and influence of men and women graduates of this school," said Dr. Mabie. "Mothers, fathers and children are in school four years before going out to lighten the darkness in towns and villages still needing the light of the world Jesus Christ."

Dr. Mabie plans soon to become a resident in Pilgrim Place, Claremont in Southern California.

Woman's Guild Meets June 2

The Woman's Guild of Campbell Congregational church will meet Thursday, June 2, at 2 p.m. in the church parlors. This will be their last meeting before summer recess. Feature of the afternoon will be a "silent auction." Group 2 will be hostesses.

A Public Appeal To Babies

Dear Babies:
Always gently but firmly insist upon drinking Dairy Belle milk. "The milk that tastes like cream." I want you to have the best. Ask mother to please save the empty cartons for me during May and June. Each carton counts three votes for me in the "Miss Dairy Belle of 1949" contest.

Now learn my new nursery rhyme and surprise mother by saying, "When the nice cow says, 'Moo-Moo', She means Dairy Belle milk for you." I love all babies; so please drink your Dairy Belle milk and then, before you become too drowsy, pen me a little note about the empty cartons.

Lovingly Yours,
CHERIE COTANCH

Over 250 4H's Show Projects At Annual Exhibit Day

Over 250 rural boys and girls from eight 4-H clubs in Santa Clara county gathered at the Santa Clara County Fairgrounds May 21 for the annual Exhibit Day.

Clubs taking part in the demonstrations included Campbell, Mt. Pleasant, Almaden and Adams, demonstrating the proper methods in lengthening a skirt, while Cambrian, Mayfair, Union and Evergreen put on a demonstration on how to remove spots.

Youngsters heard various speakers tell how to select and care for livestock. Home economic demonstrations, and judging of home economics, rabbit and chicken projects were also featured. Other features of the day included demonstrations in livestock which stressed the importance of proper selection, feeding and showmanship. The over-all program was supervised by Mrs. June MacLure and Miss Patricia Parson, assistant home demonstration agents of the county Agricultural Extension Service.

Instructors included Frank Hopkins, Santa Clara county Holstein breeder; M. S. Beckley, assistant farm advisor of Santa Clara county; Walter Johnson, Alameda county assistant farm advisor; L. C. Barnard, Santa Clara county farm advisor; Reuben Albaugh, Monterey county assistant farm advisor; Roy Wiley, Gilroy; and Mrs. E. Schiermeyer, San Martin.

During the afternoon, Arthur Brown, chairman of the Santa Clara county Board of Supervisors, gave a short talk urging boys and girls to continue their efforts and pointing out to adult club leaders the importance of their endeavors.

In the swine showmanship contest George Nelson, San Tomas, took third place. Among women leaders for the day was Mrs. Art Tindall, Campbell.

Centennial Center To Open Gala Americarnival

San Francisco's Gold Rush Centennial Plaza will open with a gala Americarnival July 1-2-3-4, the San Francisco Gold Rush committee announced today.

"Americans All" will be theme of the four-day fiesta, celebrating a golden century of progress achieved by the tolerance of all nationalities and races working together as Americans-All to make San Francisco a great cosmopolitan city, according to Managing Director Barney Gould.

The Centennial Center, constructed in the old Plaza to take advantage of the unique opportunity to "re-enact history where it happened," will be active from the opening date throughout '49 and '50. Principal event of the Days of '49, according to Gould, will be a great city-wide Gold Rush celebration September 9-18. Plans include an elaborate historical spectacle and a brilliant electrical parade.

Americarnival will be a colorful all-nations '49 fiesta in which San Francisco's many national colonies will take the leading part. It will climax with the city's Independence Day celebration, Monday, July 4.

Paul C. Smith, editor, S.F. Chronicle—"There is no averting the great destiny of the Pacific Coast."

CHRISTIAN SCIENCE CHURCHES

"God the Only Cause and Creator" is the subject of the Christian Science Lesson-Sermon for Sunday June 5, with the Golden Text taken from Revelation: "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created" (4:11).

Included in the sermon are the following citations:
The Bible: "But as it is written, Eve hat not seen, nor ear heard, neither have entered into the heart of man, the things which God hat prepared for them that love him. But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God" (1 Corinthians 2:9, 10).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The substance, Life, intelligence, Truth, and Love, which constitute Deity are reflected by His creation; and when we subordinate the false testimony of the corporeal senses to the facts of Science, we shall see this true likeness and reflection everywhere." (p. 516).

Miracle of Trees Performances This Weekend

Big Trees Bowl Foundation, which cancelled performances of the "Miracle of the Trees" scheduled for May 21-22, due to rain, will present extra performances at 3 p.m. on Saturday and Sunday afternoons, May 28-29, and June 4-5.

The "Miracle of the Trees," a magnificent spectacle of world history telling the story of man's quest for peace and freedom, without loss of personal freedom, in terms of the growth of a tiny redwood seedling into a mighty forest giant, has won the applause of critics throughout northern California.

Staged in a beautiful natural amphitheatre in the heart of the Santa Cruz redwood forests near Felton, the "Miracle of the Trees" presents the story of mankind in 12 vivid episodes, enacted by a gorgeously costumed cast and narrated by professional voices, using radio technique. Adrian Avan, producer of the show, today announced that persons holding tickets for the performance, rained out last Saturday, May 14th, or for the performances originally scheduled for May 21-22, may use their tickets to attend performances on May 28, 29, June 4 or 5.

Private funeral services were held Tuesday at the Chapel of Roses, Oak Hill Memorial Park, for Harold C. Preston, Dry Creek road, Campbell, who passed away May 22. Preston 63, was a native of Wisconsin.

Funeral arrangements were under the direction of Lima-Salmon-Tully Memorial Chapel, San Jose.

Funeral arrangements were under the direction of Lima-Salmon-Tully Memorial Chapel, San Jose.

Funeral arrangements were under the direction of Lima-Salmon-Tully Memorial Chapel, San Jose.

Days of Gold To Be Recalled During Centennial Program, July 15, 16, 17

Just short of a century ago, the lusty mining town of Columbia, "Gem of the Southern Mines," made a serious bid to become the capital of the then-new State of California.

Today this same Columbia, little changed outwardly and growing more like its old self daily as experts rush a thorough job of authentic restoration, is preparing to resume its place in the sun as "capital" of California's 1949 Gold Rush Centennial celebration.

Because Columbia is the best preserved early day mining town in all the state—and as such was set aside as an historic state park in 1945—the California Centennial Commission logically selected this site as background for its principal Gold Rush Year celebration. In no other locale could the elaborately conceived program of entertainment and historical reenactment be staged so fittingly.

CENTENNIAL CELEBRATION
So on July 15-16-17, Columbia again will be the focal point of statewide interest, the magnet drawing thousands from the plains below.

At one time Columbia boasted a population of 15,000. When the little "ghost town" relives its colorful past, indications are that there will be that many, and far more, crowding its narrow streets each day of the celebration.

The restoration program now being carried out by the State Department of Parks and Beaches, with the Centennials Commission in cooperation, will have progressed so far during the forthcoming weeks that ghosts of the old days would find things but little altered, should they happen to revisit the scene during the celebration.

MELODRAMAS

One of the major reconstruction projects is the old Fallon Hotel and Opera House, popular entertainment center of the Gold Rush era. On the stage which saw Lola Montez, Lotta Crabtree and other favorites of the times performing to the plaudits of enthusiastic miners, the Little Theater Group of the College of the Pacific will present a repertoire of old time melodramas and other theatrical attractions of the Days of Gold. The Centennials Commission has indicated that outstanding professional stars will supplement this entertainment program, all of which will be offered without admission charge.

The Centennials Commission's principal contribution to the overall program will be a pageant, "A Golden Century," to be staged in

Troop 31 Patrols Enter Camporee

Troop 31 of the Campbell Congregational church participated in the council wide camporee May 21-22. The troop had the Stag and

agency through which the State Centennials commission is working, is arranging a full program for the three days of the celebration. Its principal efforts are centered on a big historical parade featuring authentic vehicles of the times and hundreds of marchers in costume. Contests such as the miners enjoyed when in holiday mood will also be staged: rock-drilling, whipsawing logs, hydraulic mining exhibitions, panning and so on. And naturally "Little Pa-peete," Columbia's cherished old hand-pump fire engine, will be in the thick of things. The Volunteer Fire Department is drilling assiduously for speed on the run and force on the pumping.

The Tuolumne County committee, of which R. W. Muller of Sonoma is chairman, C. H. Segerstrom, Sonoma vice-chairman; H. J. Hurst, Sonoma, treasurer; and Dr. J. E. McConnell, Columbia, secretary, has been assured the enthusiastic cooperation of all the Mother Lode counties, both in the parade and in the celebration generally.

Anxious to care for an influx of visitors adequately, the Tuolumne county committee is making preparations for feeding thousands. Concession stands will be permitted in Columbia proper, but only on the side streets. The main street is to be kept as it was in the Gold Rush days. Concession stands are to be constructed in rustic style, to preserve the Gold Rush atmosphere.

In keeping with the principle established by the Centennials commission when it first took office, all entertainment at the Gold Rush Centennial celebration will be free of charge.

The Tuolumne County committee, the sponsoring

Beaver patrols taking part. There were awarded an "A" rating at a recent district hike-o-ree.

Members who took part in the camporee were Ron Madden, Bill Lawson, Tom Gilliam, Ed Merrill, Roger Schaeffle, Ron Gilpatrick, Don Gervas, Goe Parysek, Scout Patrol leader Noel Whaley, Bob Plymake, Bill Plymake and Scoutmaster Larry Cowper.

Future events include a three day trip to the Pinnacles National Monument May 28-30 and a fishing trip to Pinto Lake June 11-12.

Ideas go booming through the world louder than cannon. Principles have achieved more victories than horsemen or chariots.

St. Lucy's Club Meets June 2

St. Lucy's Woman's club will meet Thursday, June 2, at 2:15 p.m. at the home of Mrs. Fred Smith, San Tomas road. It will feature installation of officers.

Anyone may bring a guest to the meeting, said officials. Those who don't have transportation are asked to meet at the Parish Hall at 2 p.m. Cars will pick them up there.

Hostesses for the meeting will be Mrs. Floyd Wood, Mrs. James Baker, Mrs. Leslie Fairchild, Mrs. Fred Smith and Mrs. Stephen Ridgely.

Campbell Red Cross Volunteers Asked to Barbecue

A. L. Schafer, outstanding national leader of the American Red Cross until his retirement last October, will be the main speaker at the annual meeting and outdoor barbecue of San Jose Red Cross Chapter to be held Monday evening, June 6. All Campbell volunteers and members are invited to attend.

In keeping with California's Centennial year, Chapter leaders have decided to go western for the big get-together. Instead of a hotel session, as in previous years, it will be held on the grounds of the Chapter House, 440 North First Street, San Jose.

"Although we are not overlooking the serious side of this meeting," stated Maurice H. Hyde, chairman of the committee, "we are planning to combine work with pleasure to the end that every one will have a good time."

Following the formal meeting presided over by Frank H. Lewis, who is completing his eighth year as chapter chairman, Days of '49 entertainment will feature square dancing. The barbecue, set for 6 p.m., will be served by Eddie Castleman's Frontier Kitchen from King's Mountain. Animated exhibits throughout the Chapter House and the Santa Clara Valley Blood Center will depict the volunteer activities of the Chapter and its branches.

Schafer for 13 years was manager of the Red Cross Pacific Area. During World War II he supervised Red Cross activities in Hawaii, Australia and the entire South Pacific sphere of operation. Later he went on a number of missions to the Middle East. Before retirement, he organized the Red Cross National conventions of 1947 and 1948 at Cleveland and San Francisco.

Moorpark PTA Holds 'Workshop' Session May 23

Moorpark PTA officers and board chairman met with Mrs. Clarence Fagade, president of El Paradiso Council, 6th District, Monday evening, May 23, at the home of Mrs. Eugen C. Andres, Jr., 1035 Empey Way. Outlining procedure for the coming year, Mrs. Fagade discussed plans with individual committee heads in a "workshop" session.

During the regular business meeting conducted by Mrs. Andres, PTA unit president, the board recommended giving a sum of \$50 to Moorpark area summer recreation program. Mrs. R. C. Berry, recreation chairman, is recruiting parent help for the playground activities, in addition to the services of a paid supervisor.

A PTA questionnaire to be sent home to parents was read by Mrs. William Walker, publicity chairman, and approved by the board. The questionnaire is designed to gain information for more effective PTA projects for next year.

Moreland PTA Holds Paper Drive June 2

Unless inclement weather postpones plans, the Moreland PTA will hold a paper drive June 2. Anyone wishing to donate paper and having no way to transport it to the school is asked to call Mrs. Marion Harp, Campbell 3760, Mrs. Dick Moyer, Saratoga 3760, Mrs. E. Speno, Col. 5242W or Mrs. V. Reynolds, Col. 4584W. All donations would be greatly appreciated, said the PTA officers.

Cambrian Club To Honor Officers

Past presidents of the Cambrian Home and School club will be honored at the Wednesday, June 1, meeting at 2:15 p.m. in the school auditorium. Mrs. Jessie Shelly, Mrs. Frank Duncan, and Mrs. Rose Hanger will speak and reminisce on old days in Cambrian. This will be the first Wednesday meeting of the group.

Public To Hear 'Battle' Account Here June 2

A victory for California's "oldsters" is claimed by the Citizens' Committee For Old Age Pensions as the outcome of a recent court clash with interests seeking repeal of Article XXV, the state's new and liberalized pension law.

A full and authentic report on the historic court battle and its significance to all citizens will be made at a public mass meeting of the Citizens' Committee to be held on Thursday, June 2, at 2:00 p.m., in library hall, Campbell.

"Repeal" backers were dealt a set-back in the Sacramento Superior Court of Judge Peter J. Shields when their attorneys, along with attorneys from the Attorney-General's office, failed to lift restraining suits brought by George H. McLain Citizens' Committee Chairman, against allowing the Secretary of State to certify the repeal petition signatures.

Judge Shields declared, "I shall take this matter under consideration for an indefinite period." He suggested that the attorneys arguing for removal of the restraints take the matter up with the Supreme Court, if they desired further action.

The statewide drive of the Citizens' Committee toward a membership of 200,000 is widening out under the stimulus of a new membership contest featuring free "Holiday Pension Tours" of California to mem-

U. S. Bonds Pay High Interest Rate

A substantial portion of the \$50 billion worth of U. S. Savings Bonds held by Americans today are paying their owners approximately 4 per cent interest.

This was pointed out today by Emery J. Delmas, chairman of the Santa Clara county volunteer committee aiding in the U. S. Treasury Department's nation-wide Opportunity Drive to sell \$1,040,000,000 in Series "E" Savings Bonds during May and June.

"The returns on Savings Bonds—four dollars for each three invested—adds up to 2.9 percent interest if held for the full 10-year period," Delmas said.

"However, the interest rate during the last four years is much higher than in the earlier years. Therefore, owners holding the highest possible return for guaranteed investments in the current market."

The volunteer committee is intensifying sales of savings Bonds through the three regularly-established buying channels: Payroll Savings, the Bond-a-Month bank plan, and through extra individual purchases at Post Offices and banks.

bers who sign up the most new members.

George H. McLain continues to blanket California with 20-station, radio broadcasts daily at 3:45 p.m., Monday through Friday, to bring inside news direct from Sacramento to about pension matters, as well as current legislative and governmental affairs in general.

W. J. McLean Dies In Woodland After Long Illness

W. J. McLean, 76, who worked as custodian at the Campbell Grammar school until about a year ago, died in Woodland hospital May 24. McLean retired from his Campbell position due to ill health.

McLean resided at 30 W. Campbell avenue. He leaves three children: Mrs. Mabel Fossum, 776 Erin Way, Campbell; Mrs. Hazel Haas, Woodland; Delivan McLean of Almaden. In addition he leaves one sister, Mrs. J. Burner, Vallejo, one stepdaughter, Mrs. Thelma Robillard, Los Gatos and seven grandchildren.

A native of North Dakota, McLean lived for many years in Minneapolis and for the past few years resided in Campbell.

Funeral services were held Thursday morning in Woodland.

Moreland PTA Issues Certificates To 50 Children

Library certificates were presented to 50 Moreland students who have read and reported on six or more books this term at the final PTA meeting May 18.

Mrs. George Robertson president, presented room mothers with corsages for the outstanding work during the school term. Miss Muriel Carson, faculty member of Campbell High school, gave a talk on "Summer Recreation for Your Child."

George Haxelton and Orland Munro played a saxophone duet accompanied by Gary Fuller.

Refreshments were served by kindergarten mothers who acted as hostesses for the afternoon.

Something had gone wrong with the speeding car and it left the road and shot over the precipice. But the man at the wheel kept his nerve. As they descended through space he said to his female companions, "Don't worry, we'll land all right. They do this sort of thing every day in the movies."

San Jose To Go Western For Week During City Rodeo

Boots, bandannas and jeans will dominate the scene in San Jose next week as the city goes Western for its annual Rodeo Week, proclaimed by the City Council as May 31 to June 5.

The Junior Chamber of Commerce is cooperating with the Santa Clara County Sheriff's posse in calling attention to the local citizens that San Jose held the first Rodeo to be held in California, according to Dick Levin, posse publicity chairman.

The week winds up with the Rodeo Fiesta on Friday and Saturday nights and the 7th Annual San Jose Rodeo on Saturday and Sunday, June 4 and 5.

Cooperation of the merchants, through the Merchants' Association, seems assured in adopting the Western theme. Sales people in the stores and local gentry on the streets will feel perfectly at home in Western attire.

In fact, any likely looking passerby not dressed Western is liable to be accosted by the "law," impersonated by Junior Chamber of Commerce members, and given a clear warning of the violation. Second offenders will be promptly tossed into the stockade to await the verdict of the kangaroo court.

Festivities of the Rodeo Fiesta are to be announced later, but it will include free dancing until all hours in an outdoor pavilion and continuous amateur shows on two stages. Anyone may enter the amateur show performance by submitting his or her application to Robert Lindsey, 103 E. San Fernando street, San Jose.

Club Holds Last Whist Tonight

The last whist party of the season will be sponsored Friday night at the San Tomas school by the San Tomas Improvement club, according to Mrs. Lucille Kech, chairman.

The public is invited to attend this last party and make it a huge success to the finish of the season, said Mrs. Kech. Refreshments and prizes will both be featured.
